Ex Officio members: Dr. Mary Wearn, Ms. Brenda Hogan.

Phone Guest: Ms. Amy Bryant.

Members Excused or Absent: Dr. Elise Langan

1) Dr. Keith called the meeting to order at 10:02 am

i) PY-HS-01-AA-2015-2016 (OTA GPA Req)

(1) Amy Bryant on the phone. GPA requirements are unrealistically low. The new standard would be more realistic. Shouldn't hurt enrollment at all.

Maybe a decrease in number of applications – but not enrollments.

(2) Motion to Approve Dr. Smith. Second Dr. Eichhorn. Passes.

d) From the School of Aviation

(1) Mr. Lowry – tasked with certificate for (Unmanned Aerial Systems) UASs.

Movies, agricultural spraying. Not too many programs out there now. Built

in partnership with industry. Starts with some history and research of

UASs. Then regulations, FAA and such, including commercial exemptions.

Platform and system development, and finally flight operations, flying the

aircraft. Two other classes are 2215 – intro to IT, to provide the computer

understanding. Composites and b, ciraigs8(t8(r)-1(u)-1(c)-1tuai)-6(r4-6(e)-sde)]TJ 0 T
