

MISSING MINOR PROTOCOL

When a minor is reported as missing, notify the Program Administrator, Department of Community Development, at (410) 326-4161. You should also call the minor's cell phone and check with other staff or counselors.

- If the minor is not immediately located during the quick search, call 911.

The decision to call 911 to report a missing minor should not be unreasonably delayed while

physical, mental, medical, or developmental condition who is at higher risk of harm if not located.

- For all missing vulnerable persons, call 911 immediately.
- When calling 911, report any factors that led you to believe them to be a missing vulnerable person.
- After calling 911, conduct a quick search as outlined above while awaiting arrival of first responders. Missing minors near bodies of water
